YOUR FACE

No matter how bright, your face looks
half its charm by the exhibition of un-
pleasant teeth. It extracts the gum and
makes bad wrinkles. If neglected they
will spread decay to others and make your
breath bad. Have your teeth attended to
now.

WHALE OFF WAIKIKI BEACH

RESIDENTS ALONG THE BEACH
TREATED TO A RATHER NOVEL
SIGHT—WHALES AT PLAY.

Residents out at Waikiki Beach
were treated to the rather novel sight
of two huge whales disporting them-
selves in the waters just outside the
reef, and perhaps half a mile off shore.
The leviathans were in sight for near-
ly half an hour, and during that time
were observed by numerous persons.
They repeatedly arose to the surface
and spouted, and several times rose
perpendicularly from the water half
the length falling back with a great
splash. They appeared to be between
twenty and thirty feet in length.

ICE CROP ALL RIGHT.

Fears of a short ice crop seem al-
most as useless and far away as wor-
ry over last summer's harvest weather.
—Cleveland Leader.

THE GREATEST ATTRACTION.

The first settlement was made by
fighting men who came prepared to
fight and who by fighting conquered
the continent and founded the govern-
ment and country. With the naval
and military demonstrations absent
the expositio would be deprived of one
of its greatest and most valuable at-
tractions. —Richmond News-Leader.

LAZINESS FILLS JAIL.

"Frost fills the jail" is the charit-
able fashion in which a sociological
philosopher views the incarceration of
vagrants who have been "on the road"
during the warm weather. The truth
is, of course, that it is not frost but
laziness that fills the jails. Trampdom
would cease to exist, frost or no frost.
